Caring and Connecting:

This ministry is in two parts: Congregational Care and Inviting and Connecting. Congregational Care sends cards, makes phone calls, and organizes meals for congregation members who are ill, going through a difficult time, or just need a little encouragement. Inviting and Connecting welcomes new people and helps them get connected.

Missions

304 Venue:

304 Venue is next door to TUMC's main church building. It is our hope to bless the community of Tonganoxie by providing a beautiful and affordable venue for weddings and celebrations, to host for non-profit and service-oriented groups in Tonganoxie for free, and create added ministry space for our church.

Grounded Coffee:

Grounded serves great coffee with an even greater cause. Our high-quality fair-trade coffee, Messenger Coffee, allows us to serve our neighbors with all profits going towards local and international charitable projects and organizations. Periodically, we choose new organizations to support and share on our "Mission Wall".

Kids R.O.C.:

Kids "Reaching Our Community" is a mission based group that is led by kids and teens. They do 3-4 mission projects each year. It is a fun way for the whole family to serve our community!
